<i>% change ytd:</i>	27%	-36%	6%	3.7%

What does Non-Chemical IPM Methods mean?

Weed whipping, mulch installation, turf aeration and renovation, gopher and ground squirrel control, hand weeding, flaming, irrigation repair and adjustments to prevent weed growth, flail mowing, sheet mulching, pruning out diseased branches, and many more tasks that support the County IPM program that do not include applying pesticides.

Requests for accommodations may be made by calling (415) 473-4381, TTY (415) 473-2495, CRS dial 711, email at disabilityaccess@marincounty.org at least five work days in advance. Copies of documents are available in alternative formats, upon request

- Total Volunteer Hours: 839
- Total IPM Hours: 691

March:

- Total Volunteer Hours: 898
- Total IPM Hours: 784

Above: Volunteers receive training prior to assisting with vaccine distribution.

In January, 2021, group volunteer opportunities and opportunities for new stewardship volunteers in Marin County Parks were placed on hold as MCP staff assignments were shifted heavily towards support of the Marin County Emergency Operations Center and vaccine dispensing work at the Marin County Civic Center and other locations, as well as ongoing Covid 19 testing work at POT (Point of Testing) locations in Marin.
