The MCOSD has identified the following preserves, fire roads, and access points as open for commercial dog walking. Professional dog walkers are expected to use good judgment to prevent overcrowding. If a location is being used by another professional dog walker, or is crowded with other users (pedestrians, bicyclists, equestrians, and/or dog walkers) the professional dog walker should go to an alternate location or delay use of the area until it is no longer impacted. The MCOSD reserves the right to close areas to commercial dog walkers. Commercial dog walking is not allowed on the MCOSD properties that are not listed on this document.

NORTH PRESERVES

Ignacio Valley Preserve
1. Pebble Beach Fire Road (FR)
   • Pebble Beach Drive
2. Winged Foot FR
   • Winged Foot Drive
