

TRAIL PROJECT PLANNING PHASES

This is a general overview of Marin County Parks (MCP) trail project planning phases. Sequence, timing, and duration of phases may differ from project to project.

The Road and Trail Management Plan (RTMP) addresses the complex challenges of managing Open Space roads and trails. Per the RTMP, routine trail maintenance does not compete in this project selection process. The California Environmental Quality Act (CEQA) is a state statute passed in 1970. Different levels of CEQA are required for each project. For details see <http://resources.ca.gov/ceqa/>.

PARTICIPATE

Stay Informed

- Sign-up for Marin County Parks quarterly eNewsletter at marincountyparks.org.
- Join Marin County Parks on Facebook and Twitter.
- Sign-up for topic-oriented email alerts on marincountyparks.org.

Volunteer

Help beautify our trails and open spaces. Be a part of Community Volunteer Days, Environmental Stewardship, Trail Watch/Mounted Patrol or a Trail Maintenance Team. Learn more at marincountyparks.org or call (415) 473-3778.

Submit a Public Trail Proposal Form

Proposed trails must achieve continuous measurable reductions in physical and environmental impact and enhance visitor experience and safety. Proposal forms are available on marincountypark.org under Road & Trail System Designation.

Submit a Citizen Observation Report

Report an incident, safety hazard, maintenance issue, or trail condition by submitting the online form at marincountyparks.org. Click Contact Us, Citizen Observation Report. Or call (415) 473-2816.

Attend a Community Workshop

Announcements for neighborhood workshops are distributed via community groups, on NextDoor.com, and on our website marincountyparks.org.

Attend a Public Hearing

Dates and agendas for public hearings are available on marincountyparks.org. Or call (415) 473-6387.

Contact Marin County Parks

Marin County Parks welcomes public feedback, even outside of formal comment periods.
